Dear Officers,

Hello my name is Thomas Mizen I hope you had a happy holidays. I wrote this letter to thank you for keeping my family safe. One time an officer stopped by me and my dad when we were on the boat fishing an officer stopped to see what was wrong. My dad said we were having motor problems. So the officer said ok give me some ropes and I'll tow you guys in. I was so happy after we got back to the dock safely he said "You have a good day" and I never saw him ever again. That day I was very thankful for that officer stopping. That is why I am thankful for national appreciation week.

Sincerely:
Tom Mizen
