

BLACK RIVER LANDING SPECIAL EVENT USAGE

RESTRICTIONS

As Black River Landing continues to be developed based on funding sources, the Lorain Port Authority has adopted a measured use approach to park rental and programs accordingly.

As part of the Lorain Port Authority's mission to promote public access to the waterfront, the Port programs the park with a variety of events throughout the year. In addition, the Port works in partnership with volunteer organizations to produce community festivals.

At the discretion of the Lorain Port Authority, Black River Landing may be closed to the public and rented for ticketed events. The Lorain Port Authority reserves the right to approve or deny any and all scheduled events for Black River Landing.

All events that will be selling alcohol must obtain the proper temporary liquor permit and perform all required identification checks for individuals wishing to consume alcohol.

RENTAL FEES

Cost to rent Black River Landing for non-profit organizations holding a community event is \$1,400 based on a one-day rental fee. For multiple day events there is a \$700 per day fee, in addition to the initial \$1,400 rental fee.

The pavilions on the Midway may be rented for a fee of \$500, plus a refundable \$250 deposit. Single Midway pavilions maybe rented for \$100.00 plus a \$100.00 refundable deposit. Rental of any outside pavilions does not include the restroom facilities in the building.

Upon review of an event, the Lorain Port Authority will determine whether security is necessary, and the renting organization will be responsible for those fees, based on an hourly rate per officer, per hour.

Cost to rent Black River Landing for an organization requiring that the park be closed to the general public is \$2,600. For multiple day events there is a \$1,300 per day fee, in addition to the initial \$2,600 rental.

Rental includes the entire event site, including the Transportation Center building. The stage may not be rented separately. A \$1,000 deposit is required to reserve a rental date. **Dates will not be held without a deposit.**

The site is rented "as is" for special events. The Lorain Port Authority is not responsible for making any changes and/or modifications to the property or any provisions required by any Federal, State, or Local governmental regulations for a rental event.
